## SPORTS FOR STAGES 2 & 3

Dear Parents,

Carlton Public School provides many types of sports every Friday for students in Stages 2 & 3. We offer a variety of paid optional sports at our school. In addition, we have a school based program, which has an exciting range of house sports at school.

Please choose **only one** of the sports listed below, if you wish your child to participate next term, and return the appropriate note and money to the teacher listed on your choice. The teacher will be in the library to collect this payment on **Thursday, 24 September, 2009**. Places are limited so please act promptly in choosing the sport.

If you wish to pay by credit card please attach the Merchant Card Facilities form to your sports note.

Thank you  
Mrs Tollis  
Relieving Principal
