Dear Parents and Carers

We celebrated a wonderful school event this week: Fathers Matter Breakfast. It was a terrific way to showcase the many things that make our school a great school. The event was lots of fun for everyone. My thanks to everyone who was able to make adjustments to their day to make it to our school and join us for breakfast. Events such as these give us opportunities to join in and allow us to demonstrate our school values particularly those about student wellbeing, respect, respectful relationships and community participation. It also showed the enormous support we receive from our caring and generous parents and staff who are willing to give their time and effort to provide such great opportunities for students and families.

I must make a special mention of the organising teams, the P&C team, led by Marrianne Skinner and the school team of teachers who made it possible for the event to successfully occur. The P&C team had many volunteer supporters for the BBQ and the school team organised many of the fun booths and activities for everyone to enjoy throughout the morning.

Thank you so much for being part of this event! Photos of this great morning will be shared in next week’s newsletter and on our digital screens.

Congratulations

- To the Division 1 Junior B PSSA Netball team who came equal first with Bexley North on 23 points.
- To Luke W; Ohm B; Nathan S who have made it through to the Sydney East Cricket Selection trials
- To Ben W and Jayden F who both competed at the Sydney East Athletics Carnival. Ben came first in the 11yr boys 800m event and will now compete at the State level.

Important Reminders:

- The Stage 2 & 3 Camps are rapidly approaching. Thank you to those families who have paid and returned all notes, however, there are still a few families who need to finalise payment this week. Your attention to this matter would be appreciated.
- Information has been sent to Year 2 – Year 6 students about the Special Swimming Scheme to be held from 6 October until 16 October. This is one of the most important events in the school year. Your child’s safety and enjoyment in and around water can be improved a great deal by participation in this learn to swim program. Limited places are available and you should return the permission slip quickly to ensure a spot for your child.
