Your Invitation to Our Parent Forums

Dear Parents,

In the last school newsletter I posed these questions for you:
Do you have an opinion about how things are done at Carlton Public School?
Do you have suggestions about how aspects of our school could be improved?

I would like to know your opinion about which things are done well, which things could be improved, which things should be added to our programs and which things should be stopped. To find out this information I want to talk with you at one of our Parent Forums, or on the phone or have you respond to our online or paper surveys that will be published soon.

You're invited to participate in our Parent Forums to share your views and suggestions about how our school functions and to contribute to the development of our new School Plan 2012-2014. I want you to tell us what you think about your child's school life and any ways that you think we can improve it. It is also a chance to express any concerns you may have.

The first Parent Forums will be held in the school staffroom on Tuesday 30 August at 9.00 am and 7.00 pm. I hope you can join us at one of those times to share some conversations, enjoy some morning tea or supper and meet other parents and hear what they have to say.

So that we can properly cater for everyone who wants to come please complete and return the slip below to the school office before Monday 29 August or email a reply to carlton-p.school@det.nsw.edu.au or phone the school office on 9587317 and leave your name and the session you want to attend.

I look forward to meeting with you

Regards
Steve Cooper
