Carlton Public School P&C Fundraising

The P&C exists solely for the benefit of the students and community at Carlton Public School. We can only achieve an excellent outcome in 2011 with the help of our community, and we ask that you continue to support the activities of the P & C throughout the year.

You may not be able to make it to evening meetings, and you may not be able to come in the day to help on the Mothers Day stall, but there are a number of small jobs that need to be done which take only a small amount of time, but make a huge difference to the success of any event.

What can you do to help?

In Term One we need a parent volunteer from each class to staple raffle tickets in preparation for the Easter raffle. This job will take less than 30 minutes at home, in the first week of March.

On Saturday 26th March the P & C will run a fundraising BBQ at the school to coincide with the NSW state election. Volunteers to cook or serve for 45 minute shifts are needed.

Later in the term the Mothers Day stall will need volunteers to wrap a box of gifts at home in the weeks before the stall in Term 2. All gifts and wrapping are supplied and will be picked up from the school.

Marrianne Skinner  Lauren Castan
P&C President  Fundraising Representative

Please return the note to your child’s class teacher if you can assist.
